## Welcome Back to School!

On behalf of the PTO, we would like to welcome Maplewood and Fuller Street back to school. We are so excited to get this year started. What and Who are we? PTO stands for Parent-Teacher Organization, consisting of parents, teachers and community members working together to support and enrich all students educational experiences. We are a not-for-profit organization made up of the following executive board officers: Shannon Pugh, President, Stacy Schilz, Vice President, Holly Carpenter, Treasurer and Sabrina Garlinger, Secretary, members and not to mention our wonderful school staff. So, who can be a member? Are you a father, mother, protector, guardian, and/or a person who teaches or instructs at Maple Valley? If you answered YES, then congratulations you can be a member. Please join us **Monday, September 21, 2015 at 6:30 pm in the art room at Fuller Street Elementary** to learn more about what we are doing for the children at Maple Valley. We also have several volunteer opportunities available for those who are interested! We look forward to seeing you!
